### Chair of Governors - Retirement

---

Dear Parents and Carers,

I hope you have all had a good summer and that your families are rested, ready to face the challenges of the new term.

After 6 years as a Governor I have decided that it is time for me to 'retire properly' and finish my time as a Governor. I have found it a privilege to work with the school over the time and, while there have certainly been busy times and challenges, it has been a pleasure to spend time in the school seeing children happy and confident telling me about their work.

Julie Williams, the Vice Chair, will be stepping up as temporary Chair. The permanent Chair will be confirmed at the first Governors' meeting of the term.

I wish you and your families all the best for the future,

Yours sincerely,

Penny Hollowell  
Chair of Governors
