Image consent changes

Dear parents / carers

We are asking **all parents/carers** to re-consent or decline for the following parental permissions:

Photograph student

Permission for your child's image to be taken at school and used for the following purposes: Photographs, videos, school website (which is linked to Facebook), all forms of media, prospectus, school displays and local/national newspapers (including Year R class photos).

Individual & class photos

This is for the school photographer to take your child's individual and class photograph.

Our new website will be going live very soon and we would therefore like you to go into your Arbor App and make your selection for these two permissions before the end of next week.

If you have any questions regarding this information. Please telephone the school or send an email to info@valentineprimary.co.uk.

Yours sincerely

Vanessa Rattley
