## PRIMARY SCHOOL

Monday 25<sup>th</sup> September 2023

Year 2 Science

---

Dear parents / carers

As part of our science curriculum Year 2 have had an arrival of fertilised eggs from 'Living Eggs'.

We will be learning all about the life cycle of chicks and making scientific observations to see how they develop. Children in each class will get a chance to observe, document and interact with fluffy friends.

If you have any questions regarding this information, please speak with your child's class teacher.

Kind regards

The Year 2 Team
