Local Area – Trip

Dear parents / carers

On **Thursday 12th October**, Year 2 pupils will be undertaking a local visit of the woodland on Botley Road.

They will be going on a sensory walk, listening and looking carefully at the local area around them. Light rain is currently forecast so please send your child in with a suitable coat and footwear. Children will be eating their lunch at normal time in school.

Most parents/carers have already given local visit permission via the Arbor app when your child joined Valentine but if you would like to speak further regarding the trip, please see Mrs Fielder-Smith, Year 2 lead on the playground at drop off or pick up.

We look forward to sharing photos from our little exploration in this week's newsletter.

Kind regards

The Year 2 Team
