### Storm Ciaran – School Closure – 2 November 2023

---

Dear Families,

I am writing re Storm Ciaran.

Following several strategy meetings, I have just been informed that Local Authorities, police and other emergency services have declared a Major Incident starting at midnight tonight and going through Thursday 2 November 2023.

I have been advised by the LA that all schools should remain closed throughout Thursday. I hope this will provide you with the clarity that you need. The safety of our children, families and staff sit at the very core of all we do, and we wish you all safe and well.

Work for our children is set and will be coming home this evening with children.

We would normally offer some form of opening for those who are vulnerable or key worker parents, however given the risk assessment we are unable to provide such a service this time.

Thank you for your continued support.

Best Wishes

Yours sincerely,

DJ Constable-Phelps .
