## PRIMARY SCHOOL

Monday 27<sup>th</sup> November 2023

### Parking and Road Closure

---

Dear parents / carers

#### **Parking**

It has been brought to our attention that there are a number of parents / carers parking their vehicles in the staff car parks and/or pulling into these car parks to drop off/collect children. Please be reminded that these car parks are for STAFF only and no other vehicles are permitted.

Also Could we please remind you to park considerately and legally when dropping off and collecting children from the school site and please do not allow your children to access the local residents front gardens. Parking over local resident's driveways and allowing their children onto their property is not permitted.

#### **Valentine Avenue Road Closure**

We would like to remind you about the Road Closure outside of the school which is in operation from, **08.15 – 09.15 & 2.30-3.30pm (Term time only)**. During these times, **Valentine Road between the Elgar Road and Botley Road junctions** is closed to motor vehicles.

- When parking outside of the road closure please remember to park legally and considerately by not blocking resident's driveways, not parking on Double yellow lines and when parking **Do not park** on pathways. **Thank you to the parents/carers who are parking considerately.**
- We understand that during the closure the road is very safe for you and your children BUT you still need to be alert and remind your child/children about road safety.
- Please consider the 'Park and Stride' initiative when driving your child to school. This would mean parking just 5/10minutes away from the school and walking.

If you have any questions regarding the above, please do not hesitate to contact the school or speak with your child's class teacher. Thank you for your continued support of our school.

We thank you for your support with these reminders.
