

# MUSIC FEST

## INTRODUCING 'MUSIC FEST'

Dear Parents and Carers,

We are really excited to share with you that on **Friday 21st June 2024**, we are hosting **MUSIC FEST** at our school in partnership with our music teaching colleagues from Discover the Music.

Music Fest will bring together the wider school community to celebrate the vibrant musical culture across our school. We will prepare all of our pupils for a big outdoor 'festival' style performance for families to come and enjoy in the afternoon (details below). All of our pupils will present highlights of their learning in class music lessons from across this school year and the best bit is that pupils will be accompanied by a live band of musicians. Our instrument lesson pupils will also take part to show off their skills as part of the show.

At the end of a day of workshops with our music teacher colleagues, we are inviting you to attend to watch and enjoy a brilliant programme of musical learning presented by all of our pupils and here are the key details:

### Show Time:

Music Fest performance will take place from **1.45-3.00pm** in the school grounds.

### Arrival Time & Entrance:

Audience members will be able to arrive and find a spot to enjoy the show from **1.15pm** via the **Gates at Whistler Close at the back of the school.**

### Safeguarding & Media:

Please note that the taking of photographs or video footage at Music Fest is not permitted. This is to safeguard the children taking part.

### What Happens if it Rains?

If it rains and we are unable to perform outside (we will be using electricity and live microphones), we will still be holding Music Fest workshops for pupils during the day and their performances will be recorded. A recording will be made available by the school for you to stream at home at a later date in the term once it has been edited. **If the performance is unable to take place due to weather, we will notify you via the Arbor App as soon as possible. Please be aware that this may be on the day due to any unplanned bad weather, although we will monitor this closely and give as much warning as possible.**

We really hope you will enjoy the performance and an opportunity to bring everyone together to celebrate the power of music!

Yours Sincerely,

Mrs. Rutter,  
**Acting Headteacher**

Debbie Willis  
**Co-Director, Discover the Music**
