School Entrances

Dear parents/carers,

During the half term we have had a fence placed around the Year R playground. This is to provide a safe and secure environment for the children to explore. As a result of this, **there will be no access to the Year R playground from any of the school gates.**

Parents of Year R children will drop their children off at the top of the steps by the Eastwood gate and they will pick them up at the same place. Parents will not be allowed on the playground at pick up or drop off. Year R staff will be by the gates every morning to welcome your children in and the children will be lined up on the playground ready to be sent to parents at the end of the day.

The gate alongside the field and Westwood building will be locked and there will be **no access around the side of the Westwood building**, by the playing field. There will also be a gate at the top of the steps leading from the Westwood building on to the Year R playground. This will also be locked at all times and **there will be no access across the Year R playground to any other part of the school.**

Yours sincerely,

A handwritten signature in black ink that reads "A Rutter".
