Key knowledge – Primary and Secondary colours

Primary colours are red, blue and yellow. Primary colours cannot be mixed from other colours. They are the source of all other colours.

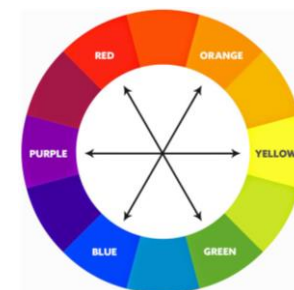

Secondary colours are mixed from two primary colours. The secondary colours are orange, green and purple.

Key knowledge – Complementary colours

Complementary colours are colours that go together well in a piece of art work.

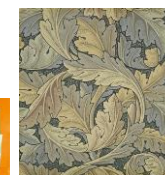

Key knowledge – Artists

William Morris, Henri Matisse and Paul Klee are all famous **artists** who liked to use **shape** and **colour** in their art work.

The snail by Matisse

Acanthus by Morris

Castle and sun by Klee
